# Chapter 1

"Dol? What are you asking about him for? He always was a dick." Itzea may have been charming to many of the menfolk in the room, but she certainly lacked tact.

"Oi, fuck off!" exclaims a dwarf from a corner booth as he throws a mostly empty tankard across the room over Itzea and over the bar. That alcohol fueled lack of charm and tact must be him.

The bartender deftly catches the tankard at an awkward angle, but maintains his composure and says "Careful Dol, we don't want a repeat of last week." as he begins washing the tankard.

From the corner Dol grunts, takes the shot sitting in front of him, and sinks on the splintered bench mounted on the wall.

"Thanks for making my point Dol..." Itzea remarks, "What was it you wanted to know? Right, the story of what happened to the mountain, not much to tell i'm afraid." That was bullshit to be sure, half the mountain was missing plain as day, so something must have happened. "That didn't have much to do with Dol anyway, so why ..." Itzea is interrupted by a now empty shot glass as she deflects it from hitting her head and the bartender comes out from behind the bar.

Dol protests without putting up much of a real fight, "But you heard what she said!"

"Come on, you know the rules. We've been over this, you cant go throwing things..." the bartender talks him down as he escorts Dol out the back door and out of earshot.

Itzea giggles to herself, "That always gets the egotistical bastard going. So you want to hear the story of the mountain, i guess i can tell it again, lord knows i've told it enough times." She sighs to herself as she crosses her legs, "I might need another drink though" she says loudly as the bartender returns from the back without Dol. Itzea looks back at Dol's absence for a moment, slightly disconcerted, then turns back to the story as the bartender readies an old fashioned amiright." "mmm, nothing like an old fashioned amiright."

The bartender coolly replies, "Whatever you say."

## Chapter 2

# Ordinary World

Insert cliché storytelling device here.

This is where the Hero's exists before his present story begins, oblivious of the adventures to come. It's his safe place. His everyday life where we learn crucial details about our Hero, his true nature, capabilities and outlook on life. This anchors the Hero as a human, just like you and me, and makes it easier for us to identify with him and hence later, empathize with his plight.

## Chapter 3

# Call To Adventure

The Hero's adventure begins when he receives a call to action, such as a direct threat to his safety, his family, his way of life or to the peace of the community in which he lives. It may not be as dramatic as a gunshot, but simply a phone call or conversation but whatever the call is, and however it manifests itself, it ultimately disrupts the comfort of the Hero's Ordinary World and presents a challenge or quest that must be undertaken.

## Chapter 4

# Refusal Of The Call

Although the Hero may be eager to accept the quest, at this stage he will have fears that need overcoming. Second thoughts or even deep personal doubts as to whether or not he is up to the challenge. When this happens, the Hero will refuse the call and as a result may suffer somehow. The problem he faces may seem too much to handle and the comfort of home far more attractive than the perilous road ahead. This would also be our own response and once again helps us bond further with the reluctant Hero.

## Chapter 5

# Meeting The Mentor

At this crucial turning point where the Hero desperately needs guidance he meets a mentor figure who gives him something he needs. He could be given an object of great importance, insight into the dilemma he faces, wise advice, practical training or even self-confidence. Whatever the mentor provides the Hero with it serves to dispel his doubts and fears and give him the strength and courage to begin his quest.

## Chapter 6

# Crossing The Threshold

The Hero is now ready to act upon his call to adventure and truly begin his quest, whether it be physical, spiritual or emotional. He may go willingly or he may be pushed, but either way he finally crosses the threshold between the world he is familiar with and that which he is not. It may be leaving home for the first time in his life or just doing something he has always been scared to do. However the threshold presents itself, this action signifies the Hero's commitment to his journey and whatever it may have in store for him.

## Chapter 7

# Tests, Allies, Enemies

Now finally out of his comfort zone the Hero is confronted with an ever more difficult series of challenges that test him in a variety of ways. Obstacles are thrown across his path, whether they be physical hurdles or people bent on thwarting his progress, the Hero must overcome each challenge he is presented with on the journey towards his ultimate goal.

The Hero needs to find out who can be trusted and who can't. He may earn allies and meet enemies who will, each in their own way, help prepare him for the greater ordeals yet to come. This is the stage where his skills and/or powers are tested and every obstacle that he faces helps us gain a deeper insight into his character and ultimately identify with him even more.

## Chapter 8

# Approach To The Inmost Cave

The inmost cave may represent many things in the Hero's story such as an actual location in which lies a terrible danger or an inner conflict which up until now the Hero has not had to face. As the Hero approaches the cave he must make final preparations before taking that final leap into the great unknown.

At the threshold to the inmost cave the Hero may once again face some of the doubts and fears that first surfaced upon his call to adventure. He may need some time to reflect upon his journey and the treacherous road ahead in order to find the courage to continue. This brief respite helps the audience understand the magnitude of the ordeal that awaits the Hero and escalates the tension in anticipation of his ultimate test.

## Chapter 9

# Ordeal

The Supreme Ordeal may be a dangerous physical test or a deep inner crisis that the Hero must face in order to survive or for the world in which the Hero lives to continue to exist. Whether it be facing his greatest fear or most deadly foe, the Hero must draw upon all of his skills and his experiences gathered upon the path to the inmost cave in order to overcome his most difficult challenge.

Only through some form of "death" can the Hero be reborn, experiencing a metaphorical resurrection that somehow grants him greater power or insight necessary in order to fulfill his destiny or reach his journey's end. This is the high-point of the Hero's story and where everything he holds dear is put on the line. If he fails, he will either die or live as he knows it will never be the same again.

## Chapter 10

# Reward (Seizing The Sword)

After defeating the enemy, surviving death and finally overcoming his greatest personal challenge, the Hero is ultimately transformed into a new state, emerging from battle as a stronger person and often with a prize.

The Reward may come in many forms: an object of great importance or power, a secret, greater knowledge or insight, or even reconciliation with a loved one or ally. Whatever the treasure, which may well facilitate his return to the Ordinary World, the Hero must quickly put celebrations aside and prepare for the last leg of his journey.

## Chapter 11

# The Road Back

This stage in the Hero's journey represents a reverse echo of the Call to Adventure in which the Hero had to cross the first threshold. Now he must return home with his reward but this time the anticipation of danger is replaced with that of acclaim and perhaps vindication, absolution or even exoneration.

But the Hero's journey is not yet over and he may still need one last push back into the Ordinary World. The moment before the Hero finally commits to the last stage of his journey may be a moment in which he must choose between his own personal objective and that of a Higher Cause.

## Chapter 12

# Resurrection

This is the climax in which the Hero must have his final and most dangerous encounter with death. The final battle also represents something far greater than the Hero's own existence with its outcome having far-reaching consequences to his Ordinary World and the lives of those he left behind.

If he fails, others will suffer and this not only places more weight upon his shoulders but in a movie, grips the audience so that they too feel part of the conflict and share the Hero's hopes, fears and trepidation. Ultimately the Hero will succeed, destroy his enemy and emerge from battle cleansed and reborn.

## Chapter 13

# Return With The Elixir

This is the final stage of the Hero's journey in which he returns home to his Ordinary World a changed man. He will have grown as a person, learned many things, faced many terrible dangers and even death but now looks forward to the start of a new life. His return may bring fresh hope to those he left behind, a direct solution to their problems or perhaps a new perspective for everyone to consider.

The final reward that he obtains may be literal or metaphoric. It could be a cause for celebration, self-realization or an end to strife, but whatever it is it represents three things: change, success and proof of his journey. The return home also signals the need for resolution for the story's other key players. The Hero's doubters will be ostracized, his enemies punished and his allies rewarded. Ultimately the Hero will return to where he started but things will clearly never be the same again.
